

BID4Oban Corona Virus Update 11 7th April 2020

We are keeping businesses updated with the latest information regarding the outbreak of Corona Virus.

Today's update on supporting businesses:

Last week we were advised of grant funding for BID companies across Scotland. We are applying for funding to enable us to communicate with businesses through the Oban Times, Oban FM and Social Media. Starting this week there will be a two-page feature highlighting all businesses that are still operating. This will also link to Oban FM who will be broadcasting regular updates on operating businesses. The purpose of this is to ensure everyone in the community is aware of where to find support and services. There is a link below to the first press advert, best viewed on a big screen! We have created a new tab on the Oban Times website highlighting similar information. Link below for Oban Times – Open for Business pages. If any business is not listed, please contact us directly at info@bid4oban.co.uk Only businesses whose levy payments were up to date as at 28th February will be highlighted.
