

## BID4Oban COVID-19 Update 27 15<sup>th</sup> July 2020

We are keeping businesses updated with the latest information regarding the outbreak of Corona Virus.

Good evening to all our Levy Payers

I hope this update finds you well. It is good to see the town starting to resemble the new normal though much quieter than we are used to. I am updating you on some issues that we will all need to contend with in the coming weeks.

### SUPPORTING TEST AND COLLECT

Collecting Customer Details in restaurants, public houses, and hairdressers. We have received information from Argyll and Bute Council regarding the importance of collecting information from customers visiting your premises. It is VITAL that you comply with these instructions. Please see link below for details. Should you require help please do not hesitate to contact myself. Link below.

### OBAN AND LORN VISITOR CHARTER

In association with Oban and Lorn Tourism Alliance and Oban Community Council we have produced leaflets and posters for businesses across Oban. This is to remind visitors and residents of the importance of COVID rules. Link below.
